Post Text:

If you were admitted to a Federal Indian Hospital, you may be eligible to receive money as part of a proposed Canada-wide Settlement to compensate individuals for harms they suffered. To be eligible, you must have been admitted to one of **33 Federal Indian Hospitals** while they were operated by the Government of Canada.

#### **Compensation is not yet available.**

The proposed Settlement must be approved by the Federal Court before compensation will be available to eligible Class Members. The Settlement Approval Hearing will be from June 10-11, 2025.

If you agree with the proposed Settlement, you do not have to do anything right now. If you disagree with the proposed Settlement or have concerns, you have the right to opt-out or object.
